What is the Unite Foundation scholarship?

The scholarship gives you a **free** student bedroom in a purpose built Unite Students building for 3 years of your university life. No rent, no bills; 365 days a year for up to 3 years of eligible study.

How do I apply?

Do not send your application directly to the Foundation. Please read the descriptions below carefully to see if you are able to meet the principle scheme criteria of care leaver OR estranged. If you are unsure of your eligibility or the back-up documentation needed, please get in touch with your current or first choice university. They will be able to offer help with this application or give you advice on other avenues of support to pursue. Contact Unite Foundation on info@unitefoundation.co.uk if you're not sure who to speak to.

Care leaver

Care leaver is a formal status that can begin at age 16 and lasts until aged 21, or aged 25 if in Higher Education. There are several different categories of care leaver but all legal definitions are eligible for the Unite Foundation Scholarship Scheme.

Ask your local authority for a letter on headed paper confirming that you are a statutory care leaver; ideally stating which category you fall into (ie relevant, former relevant, eligible or qualifying). See example letter below. Ask them to capture on this letter the support they will provide for you whilst you are at university.

Estranged from family

If you are estranged from both of your biological, adoptive parents, or only living parent, you will be eligible to apply for the Unite Foundation Scholarship Scheme as an estranged student. Student Finance England (SFE) or the Student Awards Agency for Scotland (SAAS) considers you an independent student on the basis of being estranged from your parents if you are permanently not in contact with your parents.

Securing independent student status on the basis of estrangement with Student Finance can sometimes be time consuming and difficult. If you are struggling with this process do contact your current or first choice university for help or get in touch with StandAlone which has a dedicated student section on their website. standalone.org.uk/students/

Ask your student finance/award office for a letter on headed paper stating that you have been assessed as an independent student on the basis of estrangement. See example letter below. If you are unable to secure a letter (SFE /SAAS are under no obligation to provide one) then please enclose a copy of your student finance arrangement along with the supporting documents already provided by you to them as evidence of your estrangement.
